control and and a second second and and a second and and and and and and and and and a
pages. The second part will be out in June
next; the third in April next, and the fourth
about December, 1868. Much care has been
bestowed on the work to render it useful, both
to the Merchant and to the Student of the
Chinese and English languages. Articles of
Trude, Objects of Natural History, all the arti-
cles to be obtained in the Chinese Market are
given with their Chinese equivalents.
THE price of the book complete will be \$30
and it will be published in four parts at \$7.50
each. But this objection presents itself to the
sale of the parts separately, should the purchason
of one or more parts not take the others, a
number of incomplete; and consequently value
less, copies will be left on the publisher's hands
To remedy this objection, it is hoped that those
who ace fit to patronize the undertaking by
purchasing the first part, will not object to
signing an arrangement to take the remaining
parts as they appear, or should they prefer it
to pay for the entire work in advance.
The work is offered in boards. The best
